

Contacting Cohorts

Looking for help with a module or for feedback on your project? Here is how to contact fellow PBL cohorts:

Step 1:

- Find the name of the person you would like to contact by:
 - Searching for their main page, or
 - Looking for their name on the cohorts page, or
 - Finding their name on the “Recent Activity” screen (on the right hand side of your workspace)
- Click on their name to bring up their “Profile” page.

Step 2:

- Once on the “Profile” page, find the person’s email address.
- Clicking on the email address should open a new email to that person.
