

### **PhotoStory 3 Exploration and Practice- 3rd Grade**

**2009-10**

#### Title Screen

- Color Background in Paint
- Creative Title (center horizontally and vertically)
- Student Name

#### Text

- Text can be on a background screen using Paint OR over a picture

Hold down Ctrl. + Alt. To select the pictures you want to Import

Experiment with each of the following tech goals:

- Edit a picture
- Customize motion (panning) on one slide
- Customize transition between the title slide and the next slide
- Narrate one slide (use microphones)
- Create music on the first slide

Save as a project while you are working on it. When you are finished you will learn how to save it as a movie for playback on your computer.
